Jaguar's Lair Mediation

SUNSET BEACH, N.C. – Members of the Town of Sunset Beach Mediation Team and of the developer, Coastal Companies, participated in a pre-litigation mediation on May 6, 2015 regarding the parties' disputes under various Subdivision Improvement Agreements and performance bonds related to the construction of certain infrastructure for Phase VI of Ocean Ridge Plantation. After almost 7 hours of mediation, the mediator declared an impasse. The next steps will be determined after the Town of Sunset Beach Town Council confers with legal counsel.
