THRU: Susan Parker, Town Administrator
TITLE: ROUNABOUT

Summary:

During the September 11, 2013 Special Meeting, Council met with NCDOT Representatives concerning the roundabout planned for the intersection of Sunset Boulevard North/Sunset Boulevard South/Shoreline Drive East. The proposed roundabout is 150' diameter and includes a grass area in the middle with a 10' concrete board between the roadway and the grass area. The project funding is derived from \$190,000 Safety Grant, \$250,000 from Transportation Board Member Mike Alford and the Town maximum of \$250,000.

Barnhill Contracting Company was the low bidder at \$724,944.61 and was awarded the contract. The bid for the Sunset Beach Roundabout was 30.79% above the engineer's estimate which was \$554,265.32. Barnhill will begin on February 24, 2014 and the completion date is June 21, 2014. Lane closure restrictions will begin on May 27, 2014 running through the completion date of 6/21/14 from 6:00 PM on Friday's to 6:00 AM on Monday's. These restrictions should alleviate any concerns with impacts during the weekends of the summer season. The participation from the Town of Sunset Beach will not exceed the \$250,000.00 as originally agreed.

A preconstruction meeting will be held prior to construction beginning.
