Susan Parker, Administrator

May 6, 2015

**The Honorable Mayor and Town Council
And the Citizens of the Town of Sunset Beach:**

In accordance with §159-11 of the North Carolina General Statutes, I am pleased to present the *Recommended Budget* for the Town of Sunset Beach for the fiscal year beginning July 1, 2015 and ending June 30, 2016.

THE FUNDS OF THE BUDGET

General Fund

The General Fund contains all of the Town's general governmental services such as Police, Fire, Planning & Zoning, Inspections, Streets, Sanitation, Environmental Protection, Human Services, Mosquito Control, Finance, Tax, Attorney, Administration, and the Governing Body.

The proposed General Fund operating budget for FY 2015-2016 totals \$5,833,278, which represents a decrease of \$169,418, or 2.82%, of the current fiscal year budget of \$6,002,696.

No appropriation of General Fund Reserves (Fund Balance) is included in this budget proposal, but rather a Contingency expenditure of \$196,626, which may be used to help build the Town's General Fund year-end Fund Balance position, as long as the funds are not otherwise appropriated during the fiscal year. This contingency amount within the General Fund is planned to hedge against the potential revenue losses that would be experienced by the Town if Sales Tax reform legislation that has been introduced in the N.C. General Assembly is adopted this year and to provide additional funds for anticipated future expenditures that will be required for coming years' projects, such as repairs to the Town's Storm Water System.

Special Revenue Funds

This proposed budget changes the way the Town accounts for certain expenditures by including four Special Revenue Funds. Special Revenue Funds are used to account for general governmental resources that are restricted by law or contract for a specific purpose. The use of Special Revenue Funds can provide an extra level of accountability and transparency to taxpayers in that it is easier to identify when tax or grant dollars are being used for their intended purposes.

The four funds included in the proposed budget are: the Powell Bill Fund, the Sunset at Sunset Festival Fund, the Accommodations Tax Fund and the Beach Erosion/Protection Fund.

- Powell Bill Fund – This fund accounts for the revenues and the expenditures associated with State-shared revenues generated from a portion of North Carolina’s gas tax. These funds are restricted by statute for uses related to Town-owned streets and sidewalks. A total of \$135,000 is budgeted for this fund.
- Sunset at Sunset Festival Fund – This fund accounts for the revenues and the expenditures that are generated by this annual Town event. The \$20,000 budget for this event is balanced with proposed festival revenues equal to planned expenditures.
- Accommodations Tax Fund – This fund houses the revenues from the 3 percent portion of the Town’s Occupancy Tax. The expenditures from the fund offset the Town’s cost for the provision of services to its seasonal tourist population. According to the enabling legislation, *S.L. 1997-364.12(a1)*, these funds are to be used for tourism-related expenditures and examples of such expenditures are further defined within the act. A total of \$567,000 is budgeted for this fund.
- Beach Erosion/Protection Fund – This fund accounts for the revenues from the 2 percent portion of the Town’s Occupancy Tax. This fund’s expenditures may only be used for beach re-nourishment and hurricane protection. This has been further defined by the state to also include the construction and maintenance of beach accesses and engineering expenditures related to beach nourishment or sand management. A total of \$378,000 is budgeted for this fund. Of this amount, \$252,568 is planned to be saved for future expenditures.

(As a note, the total of the Town of Sunset Beach’s two occupancy taxes levied is 5%. The Town also collects an additional 1% on behalf of Brunswick County and those revenues are forwarded to the County on a monthly basis.)

Pension/Agency Funds

The Town uses one Pension/Agency Fund to accommodate for its Law Separation Allowance. This pension is paid to law enforcement personnel who meet the requirements set forth by state statutes. The pension is funded based upon annual required contributions which are reviewed annually through actuarial analysis. While the expenditures from an Agency Fund do not legally have to be included as part of a municipality’s budget ordinance; since the money to fund this contribution is being transferred from the General Fund as an expenditure, the Agency Fund information is being included for transparency purposes. This fund is not a new fund for the Town, but it is new to being presented as a part of the Town Operating budget and therefore adds to the perception of increased expenditures without actually adding any additional outflows.

Capital Reserve Funds

The Town uses multiple Capital Reserve Funds to save money for future Capital expenditures. The Town may establish a resolution to create a Capital Reserve Fund for any purpose for which the law allows a Capital Project to be established.

Currently, the Town of Sunset Beach maintains Capital Reserve Funds for Future Development, Future Street Pavement and Future Bike/Walkway Paths. Once these funds are reserved for Capital purposes, the Town Council may decide to pass a new resolution to change the purpose of the reserve funds, but it may no longer use the monies for its general operating purposes. This allows the Town to set aside monies in one year toward larger projects that are anticipated in future years.

Capital Project Funds

The Town uses Capital Project Funds to account for projects that may span across fiscal years and results in the construction or acquisition of a Capital Asset. These funds are budgeted through a Capital Project Ordinance and this is handled outside of the Annual Operating Budget appropriations. Currently the Town's only Capital Project underway is the Town Park Project.

BUDGET OVERVIEW

The staff uses a comprehensive list of sources (i.e. North Carolina League of Municipalities estimates, Bureau of Labor Statistics data, Consumer Price Index, historical trends, etc.) to project revenues and estimate expenditures to fund current programs and services with our existing workforce. In addition, the staff reviews processes and programs to discover any cost efficiencies and any needed resources to continue to effectively carry out the programs while meeting governmental requirements.

The Tax Rate

The recommended Fiscal Year 2015-2016 Town of Sunset Beach budget includes an Ad Valorem Tax rate of 16 cents per \$100 valuation. This increase from the current 10.5 cents rate of 5.5 cents would represent a \$165 annual increase, or \$13.75 per month increase for the taxes on a property valued at \$300,000.

The proposed increase in the Ad Valorem Tax rate can be attributed to four main components, which follow:

- **Revenue Neutral** – Brunswick County performs a property revaluation every four years. Property has been reassessed this year and the total assessed value of all real property in the Town of Sunset Beach is \$1,492,442,929, as of March 23, 2015. This total value for the Town decreased from the prior year by \$317,746,485, or approximately 18%, as a result of the revaluation. In order to generate the same amount of tax revenues as the prior year rate, a tax rate increase of 2.05 cents is needed. While a revenue neutral tax rate provides the rate that would be required to produce the same amount of total tax revenue for the Town, it does not mean that each taxpayer would pay the dollar amount that was previously paid, because the individual tax amounts are based upon the new assessment values and this changes the distribution of the taxes owed among taxpayers.

- **Funding of Beach Erosion/Protection Reserves** – An increase of about 1.7 cents per \$100 valuation offsets the \$252,568 Contingency in the Beach Erosion Fund this year, which is included to build the reserves within the Town's Beach Erosion fund. In accordance with direction provided by legal counsel and the new Finance Director, these funds are now being accounted for in a revised manner. This segregates the activity from the general fund activities to provide clearer accountability and segregation of restricted monies. In beach communities, it

is prudent to have additional reserve funds available for use when hurricanes and other beach eroding events occur. These funds may also be used for expenditures related to providing public beach access.

- Increased General Fund Contingencies – Instead of appropriating Fund Balance to cover any anticipated revenue shortage in the various funds, this proposed budget makes an effort to fully fund anticipated expenditures while reserving funds for unforeseen expenditures so that the year-end result will be an addition to the Town’s available reserves rather than a decrease to the Available Fund Balance. The increased contingency portion equates to just over one cent of the proposed tax rate.

- Increased Legal Expenditures – The FY 2015-2016 budget includes an increase to the Town’s legal expenditures from the previous annual retainer amount of \$25,000 to \$220,000. This includes an anticipated \$20,000 for Board of Adjustment legal representation plus \$200,000 for the costs of general governmental counsel combined with the added costs of litigation. This estimate is associated with several active and pending legal issues. This expenditure would account for a little more than one cent of the tax rate.

The Total Budget

Every Town Department Head contributed to the overall goal of creating a recommended budget that incorporates the items discussed at the Annual Planning Session and the ongoing programs and services at the levels required by the Town Council. Staff worked to trim unnecessary operating expenditures from the budget while also working to identify needed Capital expenditure items. Staffing was revisited and multiple departments have requested reorganizations so that continuous improvement can be attained.

The Grand Total of all funds’ appropriations in the budget is \$7,353,103. In addition to property tax revenues and other various taxes and fees, the General Fund Revenues include the anticipated receipt of multiple interfund transfers. While interfund transfers can be useful to account for transactions in the proper funds of the budget, recording an Interfund transfer overstates revenues in the receiving funds and overstate expenditures in outgoing funds. Therefore, it is common to review expenditures net of these items. The Town budget includes \$860,377 in interfund transfers. These include the following:

- A \$316,000 transfer from Future Street Resurfacing Reserves (Fund 26) to offset the cost of this year’s street resurfacing expenditures related to the Town’s multi-year Street Paving Program;
- A \$50,000 transfer from the Bike and Walking Path Reserves (Fund 28) to the General Fund for the construction of a new multi-modal path on Sunset Boulevard North; and
- Transfers to account for the reimbursement of expenditures from the Accommodations Tax Fund (Fund 21) to the General Fund for \$333,120 of Public Safety expenditures (Police and Fire) and \$104,000 for Public Works labor costs associated with the seasonal Beach Trash pick-up. These are planned to reimburse the General Fund for identified services provided to the tourists that are over and above those normally provided to Town residents in the off-season.

Additionally, since contingencies are not associated with direct expenditures, but instead with savings or reserves, these can also be set aside from the grand total to view the bottom line of proposed expenditures. The Town Budget's contingencies total \$449,591. This creates a budgeted total for Operating Expenditures, net of transfers and contingencies, of \$6,043,135. This is an increase from the current year's operating budget of \$40,439.

This recommended budget includes a number of noteworthy items.

Revenue Noteworthy Items

- Recommended Property Tax Revenue is based on the Ad Valorem Tax Rate 16 cents per \$100 assessed valuation.
- One cent (\$.01) on the real property tax rate is equivalent to \$145,632, after adjusting for the current year's tax collection rate.
- The *Local Options Sales Taxes (Articles 39, 40 and 42 and City Hold Harmless)* together reflect a 1.5% increase from the previous year's budgeted amounts. However, this revenue stream is at risk for significant reductions if proposed legislation is adopted by the N.C. General Assembly.
- The \$31,000 increase in the *Permits and Fees* revenue reflects the current year's increased Building Permit revenues.
- A \$316,000 Transfer from the Future Street Paving Fund (Fund 26) to General Fund (Fund 10) represents the Town's use of funds for the purposes that they were accumulated, its multi-year Street Resurfacing Program.
- The \$50,000 Transfer from the Bike/Walking Path Fund allows for the paving of a multi-modal path along Sunset Boulevard North near the new roundabout. This is consistent with the Town's Bike and Walking Path Plan and is being included for the current year as there is an opportunity for a public-private partnership with the adjacent land owners and this sharing of expenditures can reduce the long-term cost to the Town.
- A 7.7% increase in the *Occupancy Taxes* reflects the increased collection trend in the current fiscal year's Accommodations Tax revenues.

Expenditure Noteworthy Items

- \$5000 in *Governing Body* expenses are for the purchase of audio visual equipment to upgrade the Council Chambers with screens and projection equipment so that the Town can better share information with the public during meetings.
- \$2,260 in Elections reflects the monies that the Town must reimburse the County Board of Elections for the Town's election year expenditures. This is related to the actual costs and occurs every other year.
- \$316,000 in Streets budget is for the annual portion of the Town's Street Paving program. An additional \$9,000 from the Powell Bill Fund is planned to cover the estimated \$325,000 street paving costs for this fiscal year.
- The \$12,000 increase in Environmental Protection reflects funding for Storm Water expenditures.

- The increase of almost \$19,600 in Planning/Zoning reflects increased professional services that will be associated with the budgeted \$30,000 for an update to the CAMA Land Use Plan.
- The Town is increasing its anticipated expenditures on Attorney Fees by \$195,000 due to increased Town legal services, active and pending litigation expenditures and Board of Adjustment representation.

Capital/Asset Replacement Noteworthy Items

The recommended budget includes \$897,000 in Capital expenditures. This is comprised of the following:

- The replacement of four (4) aged vehicles for which the repair is no longer cost-effective:
 - 1 pick-up truck for Fire
 - 1 pick-up truck for Public Works
 - 2 Police cars
- Engineering studies / Planning Services:
 - Storm water Plan
 - Update to the CAMA Land Use Plan
 - Engineering study of Beach/Inlet Waterways (required for nourishment or dredging)
- Technology improvements
 - New Town Hall phone system
 - Hardware and software for a GIS/CAD system
 - Audio/Visual equipment upgrades for Council Chambers.
- Street Resurfacing for the following Town roads:
 - Crooked Gulley Circle
 - Kings Court
 - Fairway Drive West
 - Fairway Drive East
 - Camellia Lane
 - Jasmine Lane
 - Live Oak Drive (from Pineview to Park Rd.)
- New Sidewalk/Bike Path Construction

Personnel Noteworthy Items

The Town recognizes the valuable contribution of its staff. Although it has been customary to provide a Cost of Living Adjustment (COLA) in most years to offset inflation and protect the purchasing power of the employees and their dependents, this recommended budget does not include one. Rather, a 3% merit pool has been included so that the Town can reward employees with merit-based raises between 0-5%, rather than providing across-the-board raises to all staff members.

The Town has experienced significant turnover in recent years. Approximately 40% of the current workforce has been employed with the Town less than two years. The Town Administrator and

Department Heads evaluate each position that comes available to identify the current needs of the Town and to look for potential ways that efficiencies in operations can be attained.

- Recommended Budget includes a 3 percent merit pool for employee raises.
- No COLA is recommended.
- No additional personnel is included.
- Reclassification of one position in the Inspections Department from Building Inspector to GIS Analyst is included.
- Reclassification of staff within the Police Department is included to reduce the two Deputy Chief positions to one Assistant Chief, and instead use two on-the-ground supervisors in the Patrol functions.
- A projected 1.25 percent increase is included for the Local Government Employees Retirement employer contribution rate due to the sunset of a three-year exclusion from paying death benefit premiums.

Fee Schedule Changes

The proposed Fee Schedule is included in the packet with suggested changes to various building-related Inspections Department fees. The Finance Director has reviewed the Administrative fees, such as per copy charges and has determined that the existing fees are sufficient to cover the Town's expenditure.

Non-profit Agency Funding

The Town has the option of funding non-profits that extend the work of the municipality, by providing services that the Town would otherwise be authorized to perform. As a part of the Fiscal Policy that was passed earlier this year, the Town Council authorized the inclusion of up to 1% of the annual General Fund budget for this purpose. This amount, based upon the proposed budget herein would allow for funding of up to \$58,332.

The Budget includes a set-aside of \$40,000 for non-profit agency funding related to Tourism. No funds were designated for general services allocation. Because the funding of non-profit agencies is a public policy decision that relates to service levels, staff has refrained from recommending any specific agencies to be funded and defers to the Town Council for future direction regarding such services. Staff will work with the Town Council to formulate a policy document that will set the parameters for the uses of such funds with regard to the types of activities that are both legally permissible and desired by the Town Council.

Fund Balance

The difference from the Town's yearly revenues minus all annual expenditures results in the amount that is added (or taken away from) the Town's Fund balance, or reserves, at the end of each fiscal year. The Town has operated with Council direction to maintain a minimum available fund balance of 75% of General Fund expenditures. The amount available at the end of each fiscal year has varied over the past five years between 95% and 212%. The average fund balance for municipalities having similar sized populations that do not operate electric services is 72.5%. The state average for fund balance available for all towns with populations between 2,500 and 9,999 is 43.55%.

The Town continues to operate in a manner that seeks to ensure that fiscal resources are available to meet the Town's current and projected needs. In all but one of the past five years, the Town has finished the year with overall expenditures exceeding revenues, thus reducing the Fund Balance

position. This proposed budget includes a projected net increase of \$83,591 in the Town's year-end Fund Balance position.

Summary

There are always competing demands for the limited municipal resources. Staff does not take lightly this recommendation of an increased tax rate, but instead recognizes that this is a challenging budget situation. The Town has healthy reserve resources, but needs to adopt a pattern of maintaining those resources to preserve its long-term fiscal health.

Staff will continue to look for opportunities to optimize our existing workforce, will continue to improve efficiencies and will work closely with residents, business leaders and community partners to strategically invest in efforts to strengthen the financial health of our community.

I would like to thank Department Heads and staff who worked and reworked their budget submittals and assisted in putting together the data to provide the Town's *Recommended Budget*.

We look forward to working with you, the Town Council, as you consider this recommended budget.

Respectfully submitted this 6th day of May, 2015,

Bonnie M. Schwerd

Fiscal Year 2015-2016 Budget Ordinance

BE IT HEREBY ORDAINED BY THE GOVERNING BOARD OF THE TOWN OF SUNSET BEACH, NORTH CAROLINA hereby assembled at its regular monthly Town Council meeting on June 2, 2015, has appropriated the following amounts as approved expenditures by function, and anticipated revenues by major revenue source, as indicated, for the operation of the Town Government departments and activities for the fiscal year beginning July 1, 2015, and ending June 30, 2016.

Section 1. GENERAL FUND

A. AUTHORIZED EXPENDITURES

General Government	\$1,043,464
Public Safety	\$3,401,333
Transportation	\$ 856,727
Environmental Protection	\$ 233,000
Economic & Physical Development	\$ 294,654
Human Services	<u>\$ 4,100</u>
Total	\$ 5,833,278

B. ANTICIPATED REVENUES

Ad Valorem Taxes	\$ 2,390,121
Local Option Sales Taxes	905,000
Fire District Fees	901,000
Other Taxes & Licenses	483,805
Permits & Fees	225,000
Sales and Services	53,000
ABC Revenue	40,000
Public Safety Revenue	15,000
Miscellaneous	10,500
Restricted Intergovernmental Revenue	1,800
Investment Earnings	1,500
Transfer from Street Paving Fund	316,000
Transfer from Bike/Walkway Path Fund	50,000
Reimbursement from Other Funds	<u>440,552</u>
Total	\$ 5,833,278

Section 2. POWELL BILL FUND

A. AUTHORIZED EXPENDITURES

Powell Bill Expenditures \$ 135,000

B. ANTICIPATED REVENUES

Powell Bill Revenues \$ 135,000

Section 3. SUNSET AT SUNSET FUND

A. AUTHORIZED EXPENDITURES

Festival Expenditures \$ 20,000

B. ANTICIPATED REVENUES

Festival Revenues \$ 20,000

Section 4. ACCOMMODATIONS TAX FUND

A. AUTHORIZED EXPENDITURES

Tourism-Related Expenditures \$ 566,603
Contingency 397
Total \$ 567,000

B. ANTICIPATED REVENUES

3% Accommodations Tax Revenues \$ 567,000

Section 5. BEACH EROSION/PROTECTION FUND

A. AUTHORIZED EXPENDITURES

Beach Nourishment & Protection Expenditures \$ 125,432
Reserve for Future Expenditures 252,568
Total \$ 378,000

B. ANTICIPATED REVENUES

2% Accommodations Tax Revenues \$ 378,000

Section 6. FUTURE DEVELOPMENT FUND

A. AUTHORIZED EXPENDITURES

Transfer to \$ -0-

B. ANTICIPATED REVENUES

Transfer from \$ -0-

Section 7. FUTURE STREET PAVING FUND

A. AUTHORIZED EXPENDITURES

Transfer to the General Fund \$ 316,000

B. ANTICIPATED REVENUES

Appropriated Fund Balance \$316,000

Section 8. BIKE/WALKWAY PATH FUND

A. AUTHORIZED EXPENDITURES

Transfer to the General Fund \$ 50,000

B. ANTICIPATED REVENUES

Appropriated Fund Balance \$ 50,000

Section 9. LAW SEPARATION FUND

A. AUTHORIZED EXPENDITURES

Retiree Pension Expenditure \$ 53,825

B. ANTICIPATED REVENUES

Transfer from the General Fund \$ 53,825

Section 10. AD VALOREM TAX RATE

There is hereby levied a tax at the rate of sixteen cents (\$0.16) per one hundred dollars valuation of property as listed for taxes as of January 1, 2015, for the purpose of raising the revenue listed as Ad Valorem Property Tax in the General Fund in Section 1 of this Ordinance.

This rate is based on a total valuation of property for the purposes of taxation of 1,492,442,929, and an estimated rate of collection of 97.58%. The estimated rate of collection is based on the most recent fiscal year (FY 2014-2015) collection rate of 97.58%.

Section 11. AUTHORIZATIONS AND INSTRUCTIONS

A. TRANSFER OF FUNDS

The Budget Officer is hereby authorized to transfer appropriations as contained herein under the following conditions:

The Budget Officer may transfer amounts between line item expenditures within a department without limitation, as long as the department is not over spent and without a report being required. These changes should not result in recurring obligations such as salaries.

The Budget Officer may transfer amounts up to \$1,000 between departments, including contingency appropriations, within the same fund. The Budget Officer must make an official report on such transfers at the next regular meeting of the Governing Board.

The Budget Officer may not transfer any amounts between funds except as approved by the Governing Board in the Budget Ordinance as amended.

B. INTERFUND CASH ADVANCES

The Budget Officer may make cash advances between funds for periods not to exceed 60 days without reporting to the Governing Board. Any advances that extend beyond 60 days must be approved by the Board. All advances that will be outstanding at the end of the fiscal year must be approved by the Board.

C. ADMINISTRATIVE INSTRUCTIONS

Copies of this Budget Ordinance shall be furnished to the Town Clerk, to the Governing Board and Town Administrator to be kept on file by them. Copies are to remain on file by the Budget Officer / Finance Director for the direction in disbursement of funds.

Adopted this 1st day of June, 2015.

FY 2015-16 PROPOSED FEE SCHEDULE

Building: Commercial & Residential	Fee	
Project Cost as determined by the five factors listed below:	.009 x the total project cost or \$75.00 minimum	
Site Built/ Modular Homes (per sq. ft.)	\$75.00 (all heated area)	
Manufactured Homes (per sq. ft.)	\$30.00 (all heated area)	
Covered Unheated Area	\$25.00 per sq. ft.	
Porch, Deck (uncovered)	\$20.00 per sq. ft.	
Concrete Slabs, walk, driveways	\$1.00 per sq. ft.	
Electrical Inspection	Residential Fee	Commercial Fee
T-Pole	\$75.00	\$125.00
Rough In	\$75.00 *	
Final	\$75.00 *	
Temporary Power	\$75.00	\$125.00
Electrical Under Slab	\$75.00	\$125.00
Mechanical Inspection	Residential Fee	Commercial Fee
Rough In	\$75.00 *	\$125.00 *
Final	\$75.00 *	\$125.00 *
Plumbing Inspection	Residential Fee	Commercial Fee
Plumbing Under Slab	\$75.00	\$125.00
Rough In	\$75.00	\$125.00
Final	\$75.00	\$125.00
Water and Sewer Lines	\$75.00 (per both lines)	\$125.00 (per both lines)
Additional Fees, as Applicable	Residential Fee	Commercial Fee
All Bulkheads (new, repair, replace) Requires a minimum of 2 inspections regardless of project cost.	\$75.00/ Inspection	\$125.00/ Inspection
Certificate of Occupancy	\$75.00	
Homeowners Recovery Fund	\$10.00	N/A
Re-Inspection Fee	\$75.00 for initial re-inspection; \$150.00 for each additional re-inspection on same item.	
Additional Trip Charge	\$75.00/ Trip	\$125.00/ Trip
After Hours Inspections	\$75.00	\$125.00
<u>Work Started/Performed without a Permit</u>	Double Permit Fees	
Flood Plain Maintenance & Repair (Addition/Fill)	\$75.00	
Flood Plain New Construction	\$125.00	
Other Permits not listed but required by the state of NC	\$75.00	\$125.00

* Fees are calculated per HVAC System.

Additional Fees Related to Fire and Building Inspections	Building Inspections Fee	Fire Fee
Fire Sprinkler Fee	\$75.00	\$100.00 (for commercial Building)
Change of Use/Occupancy	\$75.00	\$100.00
Tent Set Up	N/A	\$100.00
ABC Inspection – (applies to app. for beer/wine sales)	\$75.00	\$100.00
Annual Fire Inspection Fee	N/A	\$100.00
Fire Re-inspection Fee	N/A	\$50.00

Proposed Fee Schedule – to be effective July 1, 2015

Planning & Zoning Fees	Residential Fee	Commercial Fee
Zoning Permit (<u>includes</u> fences, sheds, <u>driveways, etc.</u>)		\$30.00
Variance Request		\$300.00
Text Amendment		\$300.00
<u>Zoning Compliance Letter</u>		<u>\$50.00</u>
