TOWN COUNCIL AGENDA ITEMS

MEETING DATE: August 6, 2012

AGENDA ITEM NUMBER: 6c

SUBJECT: Fire Truck Resolution

SUMMARY OF INFORMATION:

The attached draft resolution is just like the one we did on the ladder truck. It is a requirement in order to piggy-back on the bidding and purchasing of another jurisdiction's purchase of a similar fire truck. The Fire Chief and Finance Director have reviewed those bid specs and are satisfied that they fit our needs.

This purchase has been planned for several years in order to replace our aging pumper truck, and the money has been set aside in fund balance. The cost is approximately \$375,000. We will be selling the Town's old brush truck and pumper truck in the near future for around \$40,000.
