TOWN COUNCIL AGENDA ITEMS

MEETING DATE: December 5, 2011

AGENDA ITEM NUMBER: 6.a.

SUBJECT: North Shore Drive Underground Electric Lines Resolution

SUMMARY OF INFORMATION:

Attached you will find the Assessment Resolution that you may adopt after the December 5 public hearing. This resolution describes the project to be undertaken, the basis of the assessments, the percentage of the cost to be borne by the abutting property owners, and the terms of payment. There are now 80 plus parcels that would be assessed, and if done by parcel that would come to about \$270 per parcel if the cost holds to the currently estimated \$22,000. When the project is completed and costs have been finally determined, the Preliminary Assessment Roll is published that lets all property owners know exactly what their cost is.
