

# TOWN OF SUNSET BEACH

## TOWN COUNCIL AGENDA ITEMS

**MEETING DATE:** June 3, 2013

**AGENDA ITEM NUMBER:** 4e

**SUBJECT:** Consideration of Streetscape RFP's

**SUMMARY OF INFORMATION:**

The Streetscape RFP's for hardscape and landscape are attached. The plan is to review them at this meeting, and if desired, make any changes. Then, approve the final RFP's at the June 24 (July) meeting. The project will then be bid out the next day with the bids due on August 12 and awarded at the August 20 work session. According to Michael Norton, this time frame will best allow us to start construction in early October. We did not think it wise to go out for bids sooner because that would make it difficult for the bidders to have current prices.
