TOWN COUNCIL AGENDA ITEMS

MEETING DATE: March 4, 2013

AGENDA ITEM NUMBER: 5d

SUBJECT: Approval of Grand Strand Area Transportation Study Memorandum of Understanding

SUMMARY OF INFORMATION:

The proposed Memorandum of Understanding is among all member governments regarding their participation in the GSATS Metropolitan Planning Organization in its efforts in undertaking a cooperative and continuing transportation planning process. The Technical Coordinating Committee (staff people) met on February 15 and reviewed this and other documents like the By-Laws. There were a few changes suggested by various members in the MOU language, which are highlighted in yellow in the MOU.

The Transportation Advisory Committee (elected officials) will meet March 1 and do the same thing at their meeting that The TCC group did. The GSATS Director, Mark Hoeweler, asked that member jurisdictions consider and approve the MOU at their next governing body meeting. I see no problems in approving it as presented here.
