**Congratulations for Community Rating System Program Success**

Dear Mayor Forrester:

As a participant in the National Flood Insurance Program (NFIP), the Town of Sunset Beach made a decision several years ago to participate in the NFIP's Community Rating System (CRS) Program. As a result of the Town's outstanding performance in the CRS, flood insurance policyholders within your jurisdiction are afforded a premium discount on their policies.

We appreciate the Town's efforts to reduce loss of lives and property damage caused by flooding, restore environmental functions of floodplains, and hold development to standards that exceed the minimum requirements of the NFIP. We are pleased to present you this plaque acknowledging your success of improving in the CRS Program to a Class 7 community.

All of us at the Federal Emergency Management Agency and, in particular, Region IV, including our partners, the NFIP Coordinator in North Carolina and the Insurance Services Office, CRS staff, congratulate you for your accomplishment. In the years to come, we hope that the Town of Sunset Beach will aim even higher and pursue additional avenues to further improve your CRS rating. Please give us a call at (770) 220-5441, if we can be of assistance.

Sincerely,
