Town Council Agenda Items

Meeting Date: April 16, 2013

Agenda Item Number: 4

Subject: Planning Board Candidate Interviews

Summary of Information: As you will recall Mr. Bill McDonald and Mr. Leon August have both resigned from the Planning Board due to health issues causing two (2) vacant seats on the Board. Both seats represent corporate membership and therefore necessitate that the candidates must be Town residents. An advertisement soliciting candidates appeared in the Brunswick Beacon on March 14, 2013. The following candidates, all of which are town residents, submitted a resume and need to be interviewed:

- Charles Nern
- Thomas Vincenz
- Leonard Steiner
- Noelle Kehrberg

Mr. Vincenz is currently serving on the Planning Board as an alternate corporate member. If Mr. Vincenz is chosen to fill one of the two seats available, the alternate member seat will become available and Council would need to fill that seat, in addition to the other corporate member seat, from the remaining candidates.
