

SUNSET AT SUNSET MINUTES

March 12, 2015

The Sunset at Sunset Committee met on March 12 at 1:00 p.m. in the Sunset Beach Town Hall Conference Room. Present was Karen Dombrowski, Jean Hutchinson, Karen Joseph, Lois McClland and Bev Williams. Absent was Ann Bokelman.

Karen Joseph and Lois McClland will co-chair this year's festival. Jean Hutchinson will serve as treasurer for the group and will work with the employee assigned to this committee. She is also responsible to notify that person at least one week in advance of our meetings.

The committee discussed the need for new members of the steering committee. Bev volunteered to talk to Sarah Moore and Cathy Young and Toby Barenizer, Lois will talk with Marge Gresham and Karen Dombrowski will contact Monica Vogel.

Karen Dombrowski offered to meet with Terry Bryant of the Planetarium regarding the Photo Contest and the problems that occurred in the past. She will also explore the possibility of the Planetarium taking over the entire photo contest.

The Committee listened to the "Sunset Beach Song" sent to the town by Jim Gavin of Hamilton, New Jersey. The suggestion was made that the song could be used in conjunction with an ATMC commercial. Karen Joseph will contact Jim about the use of his song and what limitations he requires for its use.

The committee discussed getting a new tee shirt. The suggestion was made to use a photo of the gazebo with perhaps a sunset in the background. Lois McClland will speak with both David Framer and David? to see who can offer the best price and quality. The spikers will again be for sale as we have approximately 300 remaining from last year.

Various types of entrainment ideas were discussed. One was to use strolling musicians such as a barbershop quartet, a mariachi band, and an Elvis impersonator. Other suggestion were Walt and Carolyn Anderson, Jay Kerr's Homemade Jam Band and the Sick Stooges. Bev Williams will speak to Ann Hucks about having some of her dance students participating.

Bonnie Schrwerd provided the committee with Encumbrances & Expenditure Statements and Transaction reports for the current fiscal year 1014-15 for our review. The committee will each review the reports and send any inquiries to Jean Hutchinson who will then meet with Bonnie for clarification. Jean will also ask for income sheets.

Meeting adjourned at 3:50 p.m. Our next meeting will be April 16th at 1:00 in Town Hall.
