Re: Sunset Beach CBRA Area Restrictions

Dear Mr. Benjamin:

We are in receipt of your letter dated January 6, 2015, to Mayor Ron Watts regarding a proposed development within the CBRA area in the Town of Sunset Beach. While the Town of Sunset Beach has zoning jurisdiction and other regulatory requirements for the proposed development, Brunswick County Public Utilities provides water and sewer service to properties located in the Town of Sunset Beach.

In your letter, you requested information related to federal funding provided to Brunswick County on Public Utilities infrastructure. Brunswick County has provided information to the Town regarding federal funding on Public Utilities projects and the Town has provided this information to your office.

Also, you suggested in your letter that staff from Brunswick County and the Town of Sunset Beach as well as other interested parties meet with you and members of your staff to discuss this issue and clarify the U.S. Fish and Wildlife's position on the ramifications of providing utility service to properties located in the CBRA. Brunswick County and the Town of Sunset Beach agree that a meeting would be productive. Please provide us with some dates and times that you and members of staff are available to meet.

We look forward to hearing from you with some dates and times that you are able to meet on this very important issue.

Sincerely,

Jerry W. Pierce, P.E.
Director of Public Utilities
