

Accessible Surf Chair Program

THE TOWN OF SUNSET BEACH has several beach-going wheelchairs, referred to as “surf chairs,” that can be used to assist persons who have difficulty walking in sand with beach accessibility. The chairs have large tires that allow them to be pushed in the sand so everyone can enjoy the beauty of Sunset Beach!

Surf chairs may be reserved for up to a three-day period, on a first-come, first-served basis, for a \$20 fee. There is high demand for these chairs in the summer, so early reservations are recommended.

The chairs may be used only within the beach strand area of Sunset Beach and are for the exclusive use of the party who signs for each one. Delivery and pick-up of the chairs from Sunset Beach island locations is included in the rental fee. The chairs are delivered and picked up on Monday – Friday only.

The Town has instituted a donation program that helps to offset the costs of providing Surf Chairs. If you would like to honor a loved one through the gift of mobility for others, please contact Town Hall to request a donation program brochure.

For a reservation form or more information about reserving a surf chair, call the Sunset Beach Town Hall at 910-579-6279.

Whether it is for a temporary beach escape or if you are lucky enough to call the beach your home, we hope this program helps you enjoy your time in beautiful Sunset Beach!
