

TOWN OF SUNSET BEACH

TOWN COUNCIL AGENDA ITEMS

MEETING DATE: April 4, 2011

AGENDA ITEM NUMBER: 7a.

SUBJECT: Consideration of Resolution Adopting the Hazard Mitigation Plan

SUMMARY OF INFORMATION:

Sunset Beach is subject to flood hazards in some areas under certain conditions. The Hazard Mitigation Plan Update has been developed by Holland Planning working with staff and citizen input to address ways to mitigate the potential damage to properties throughout town that may be caused by flood events. This Plan also is required by the State in order to receive federal and state disaster assistance whenever a disaster affecting the town is declared. We have had a HMP for several years, and it is updated every five years.
