Purpose: To discuss the action of litigants seeking a declaratory judgment and a preliminary injunction against the North Carolina Department of Transportation to stop any further planning, financing, contracting or construction of the high level (65') fixed span bridge proposed to replace the existing bridge on SR 1172 over the Intracoastal Waterway connecting the mainland to the island of Sunset Beach until NCDOT comply with the requirements of the National Environmental Policy Act and the EPA.

Council discussed the idea of enjoining in the suit in hopes that a judge would look more favorable toward the NCDOT knowing that the Town is supporting the proposed bridge.

Motion by Steiner, seconded by Bazemore that the Town hire Attorney Amos Dawson to file the necessary papers that would allow the town to intervene on the side of the NCDOT. Carried unanimously.

Meeting Adjourned.

Adopted this the 5th day of November, 2007.

Attest:

Mayor Ron Klein

Linda Fluegel, Town Administrator
