TITLE: **2015 Street Re-Surfacing Project**

Summary: The 2015 Street Re-surfacing Project includes: Kings Court, Camelia Lane, Fairway Drive East and West, Live Oak Drive and Jasmine Lane.

The formal bid process was followed for this Project and the Project was properly advertised. The 2015 budget allocated for Street Paving is \$325,000. Prior to releasing the RFP, the road conditions were evaluated by Staff to finalize the 2015/2016 Resurfacing priorities. Some streets were removed from the paving list since the Town will be implementing a crack sealing program. Additional streets were included in the RFP as alternate bid items incase funding availability exists. The alternate streets were bid by the ton.

One (1) bid was received from Barnhill Contracting Company totaling \$244,395 as the base bid. Due to the Project total, the Council is not required to repeat the bidding process, can accept the one (1) bid and award the contract.

Recommendation: Council is requested to make a motion to award the 2015 Street Re-Surfacing Project to Barnhill Contracting Company totaling \$244,395.
