What others are saying about SOLD OUT!

JEFF FORE Region Manager / North Carolina West Coca- Cola Bottling

“ I believe you have a great organization and a tremendous opportunity to change the lives of our next generation of youth.”

RON BUTLER – ATHLETIC DIRECTOR, PITT COUNTY SCHOOLS

"Thank you so much for sharing! I have heard only positive reviews concerning your visit. I thank you as a father for the hour plus conversations I have had with my daughter after she viewed your presentation

at SCHS. Keep up the good work!"

Debbie L Hodges- Director of Student support Services / Craven County Schools

“We are SO excited to be approved to work with Roman Gabriel and Sold Out. I have talked to other counties and they seem to love this program. The follow up is the best part. Kids can continue to have access to resources 24/7

with the website. I also like that the online pledge is more of a "personal commitment" and allows for follow up with the student to encourage and support them along the way. So many programs have an assembly, get kids to pledge

and then it's over and forgotten. This is different.”

Dr. Cathy Tomon – Principal, Broad Creek Middle School / Carteret County

“Fantastic presentation. I know you have made a difference in our students lives. Thank you for your passion and dedication. I wish you continued success with your program.”

[TINA MASHBURN – DIRECTOR MIDDLE GRADES EDUCATION/ ROWAN COUNTY](#)

"Thank you so much for your message, your commitment, and your mentorship. I am so appreciative for this opportunity for our students."

[WESTLEY WOOD – DIRECTOR OF STUDENT SERVICES / WILKES COUNTY SCHOOLS](#)

"Roman (Sold Out) began a partnership with Wilkes County Schools in the fall of 2012. Roman captivated the student audiences (all 4 middle schools) with personal experiences and life stories of hard work, integrity,

and perseverance. As a result around 70% of middle school students pledged to be accountable to their teachers, coaches, and parents!

[David A Lewis- Assistant Superintendent for Student Accountability / Wayne County Schools](#)

"Mr Gabriel delivered a positive and motivational message to over 1400 eighth grade students in nine Wayne County middle schools. Our principals reported that the message was well received, and that they would certainly have Mr. Gabriel back. I believe that a message about setting worthwhile goals and making positive choices to achieve them is valuable for our students."

[Brittany – Triton High School Senior / Harnett County](#)

"Thank you so much for coming to my school. I have learned from experience that I don't need alcohol to make myself feel better and when I'm down I have learned that to take to someone is better than having a drink. I love my family and life to much to give it up for one cool night."

[Cynthia Floyd – Executive Director Student Services / Wilson County](#)

“ Thank you so much for coming to Wilson County Schools with the powerful Sold out Program message. The students were engaged and listening to this important message to the well being of our students today.”

Skylor – High School Student Onslow County

“Not only do I pledge to be alcohol and drug abstinent as a teenager but also when I am an adult. Alcohol and drugs have been in my family for far too long.... IT’S TIME TO BREAK THE CHAIN!”

NC Senator Jim Davis Franklin County

“Thank you for the work that you and your team accomplish in educating our young people about the dangers of drug abuse. Keep up the good fight! “
