

Revised Draft: March 11, 2016 Councilman Cerrato

Sunset Beach Environmental Resource Committee

Mission Statement:

The Sunset Beach Environmental Committee (SBERC) will research and compile documented information to the Council and the Planning Board on environmental matters impacting both current and the long term interest to the Town. The SBERC shall keep a breast and update both the Council and Planning Board of proposed legislation and technological changes of an environmental nature that may affect our Town and geographic region.

Getting Started:

The three members of the SBERC will be appointed by the Council for a three year term. The appointments will be staggered terms. During the initial establishment of the committee, one appointment will be for one year, one appointment will be for two years and one appointment will be for three years.

Applicants:

Candidates should possess a good working knowledge of the environmental requirements of the Sunset Beach Rules and Regulations, the State of North Carolina Rules and Regulations, and the Federal Rules and Regulations and must be skilled in researching these sources.
