

TOWN OF SUNSET BEACH
Town Council Agenda Items

Meeting Date: February 4, 2013

Agenda Item Number: 7a

Subject: Consideration of Adoption of a Resolution to Appoint Councilman Williams as the Town Representative to the GSATS Committee

Summary of Information: The Grand Strand Area Transportation System Metropolitan Planning Organization, of which we are now a member has requested a resolution from the Town designating who the Council wishes to name as the Technical Advisory Committee member from Sunset Beach. I previously had sent them an email stating that the Council had named Mike Williams as their representative after the Council action at the January regular meeting, but they believe that a resolution is more appropriate. Attached is a draft resolution for adoption designating Councilman Williams.
