

# TOWN OF SUNSET BEACH

## TOWN COUNCIL AGENDA ITEMS

**MEETING DATE:** January 9, 2012

**AGENDA ITEM NUMBER:** 8.b.

**SUBJECT:** Fire Station Two and Sewer System Dedications

**SUMMARY OF INFORMATION:**

The second fire station should be completed in early February if not late January according to the contractor and architect Scott Garner. A dedication sometime after that would be appropriate. While we are considering dedications, we may want to consider a dedication ceremony for completion of the sewer system. It could be held at the vacuum pump station when that is completed in March.

**TOWN ADMINISTRATOR'S RECOMMENDATIONS OR COMMENTS:**
