Meeting Date: October 3, 2011

Agenda Item Number: 5a

Subject: Roll Cart Enforcement

Summary of Information: During the September 15, 2011 Special Called Meeting, the Council reached a consensus to place a Roll Cart Enforcement discussion on the October 3, 2011 agenda. The Roll Cart letters have been mailed to all property owners. The letter advised that enforcement will begin October 1, 2011 with warning notices issued; on January 1, 2012 citations with a \$50 fine will be issued. Gary Parker and Dustin Graham recommend that the responsibility of enforcement be added to the duties of the Public Works Department. An address list of the properties not in compliance with the ordinance will be made weekly and citations will be mailed to the property owners.
