TOWN COUNCIL AGENDA ITEMS

MEETING DATE: March 4, 2013

AGENDA ITEM NUMBER: 5e

SUBJECT: Approval of Gazebo Parking Lot RFP

SUMMARY OF INFORMATION:

This Request For Bids is for constructing the new Gazebo Parking Lot. This project is being undertaken primarily to provide a drop-off lane near the Gazebo so that people can unload and load passengers and gear. Work also needed to be done in order to repair the area where the sewer line work was done. The attached project description in the RFP, and the specifications that will be attached to the RFP for bidders, were drafted by Michael Norton of Compass Point Engineering.

We anticipate that this work will be awarded at the April Council meeting and be completed by mid-May.
